Project Proposal

Title

Language translator

Submitted by:

Student Name	Student Email	Section
Emad mahmoud mustafa	emadmahomud@std.mans.edu.eg	9
Ali alaa abdel-aal	alialaa123@std.mans.edu.eg	9
Ali ahmed ali marwan	alymarwan0@std.mans.edu.eg	9

PROJECT STATEMENT:

free service instantly translates words, phrases, and web pages between English and other languages.

PROJECT OBJECTIVES:

It aims to translate whole phrases rather than single words then gather overlapping phrases for translation. Moreover, it also analyzes bilingual text corpora to generate statistical model that translates texts from one language to another.

TOOLS:

Java, Android Studio, Google Services.
